An and Chi are students of Ho Chi Minh City University of Education. They are volunteers in the Green Summer Campaign in Dong Thap, a remote province about 170 kilometers from Ho Chi Minh City. They live with Mrs. Hai and Nhu, her five- year- old granddaughter. Mrs. Hai has a one - hectare paddy field and a small garden where she grows some fruit trees and raises chickens. It is the harvest time now so farmers are very busy. An and Chi help farmers harvest their crops and teach the children. When they have free time, they often feed the chickens for Mrs. Hai. Although they are not skillful at doing the farming, they are very enthusiastic and hard - working so everyone loves them. In the evening, Chi teaches Nhu how to read while An plays with the children in the neighborhood. Both An and Chi enjoy their time in Dong Thap.
